

## Judges Hill Neighborhood Association Dues and Residential Parking Renewals

November 14, 2005

Dear Neighbors,

Thank you for your 2005 contributions to the neighborhood and the JHNA treasury! Our association charter calls for annual collection of dues in order to maintain membership and voting rights at a level of \$50. Of course you are free to contribute more, especially if there are certain causes you strongly support, so the format below has been structured to allow for that option.

Residential Permit Parking (RPP) passes from 2005 expire on December 31, 2005. Distributing of 2006 permits will begin on January 1. If you participate in the Residential Parking Permit program, please mail this renewal form by December 14th to allow time for distribution of new permits prior to the expiration date.
